These applications will be opened through 4-H Connect April 1-30, 2010. If any official delegate from the list above is accepted in one of these groups, it will open a spot for an alternate delegate from District 8 to attend. Encourage your 4-H members to apply so that we can have a larger representation from District 8!

Should any of your delegates decide not to attend, please notify the District Office immediately, so that an alternate can be moved up to take his/her place. Please call if you have any questions.
