This contest is not a qualifier for District or State contest, although, it is encouraged for all Dallas 4-H members for participation and practice. [District IV Competition](#) is on April 10, 2026. Must be a 4-H member to participate in District IV.

**Age.** Age divisions are determined by a participant's grade as of September 1, 2025. Age divisions for this contest are:

Junior	Ages 8-10 (Grades 3, 4, 5)
Intermediate	Ages 11-13 (Grades 6, 7, 8)
Senior	Ages 14-18 (Grades 9, 10, 11, 12)

**Eligibility.** Educational Presentations may be an individual effort or conducted by a team of two participants.

**Originality.** Educational Presentations **MUST** be the original work of the youth participant. Youth may **NOT** share/utilize the same presentations delivered by other's in the past.

**Topic Subject:** Subjects in the educational presentations should address emerging or current issues in each of the contest areas. Some contests provide a suggested list of topics that the educational presentation may cover along with a resource list. Senior contestants are encouraged to research these emerging and/or current issues to develop presentations. See the links below for the topic categories.

**Accuracy of Information/Resources.** With the computer and internet being used heavily in educational presentations, participants must know the difference between research and non-research based information. Contestants are required to use information that is factual and can be supported through adequate documentation. Examples of such websites are federal, state, and local governments, independent research sites, and Texas A&M AgriLife Extension Service websites. Internet information that is questionable includes personal documentation sites, chat rooms, message boards, etc. Participants must prepare a list of references (i.e. bibliography, works cited) for their presentation.

**Subject Matter.** The skills and knowledge used in any 4-H contest should be the result of experiences in a project in which the participant has participated. A presentation must relate to the contest entered, contain current information, and not be better suited for another contest. It should also be appropriate for the participant's age and experience. Appropriate credit must be given for references used.
