

On-site Sewage Facilities (OSSF)

Meeting Notes

March 3, 2011

Work Group Members Present

Bryan Eastham (TCEQ), Charriss York (TCWP), Lisa Marshall (GBF), Susie Blake (League City) John Jacob (TCWP), Marc Reid (TCWP)

Discussion

The workgroup began with a quick recap of the previous meeting. Following the recap, there was a discussion on the role of the Texas Commission on Environmental Quality, Galveston County and Brazoria County in on-site sewage facility requirements and reporting criteria. The group then discussed the proposed amendments by Galveston County to allow homeowners to maintain their own aerobic systems. The workgroup then talked about management measures that will fit in the 9 elements tables.

Action Items

- Marc will begin putting the information discussed in the 9 element table to discuss at the next OSSF workgroup meeting.
