MEMO TO: Club Managers, Judging Coaches, and Members

SUBJECT: LIVESTOCK JUDGING TEAMS SELECTION PROCESS

The following guidelines will be used to determine Livestock Judging Teams for local contests, major shows, district, and state. Please make yourself familiar with these guidelines.

GUIDELINES

1. All judging team members must be enrolled online via 4-H Connect. (4-H/FFA)
2. Livestock judging program participants are expected to attend to 50% plus one training during the program season.
3. Members must judge in a minimum of THREE (3) regional (county fair, etc.) contests and ONE (1) major show contest from the enclosed list in order to judge at the District 9 contest.
4. Teams will be made based on the average of your scores from previous contests. For the first contest of the year, returning members will be placed on teams based on their average from the previous year. New members will be randomly placed on teams.
5. All team members must purchase and wear the team shirt to all contests unless otherwise indicated.
6. We will average your top FOUR (4) scores to determine team placing for the District contest. Overall participation may be considered.
7. Harris County Livestock Judging is a county wide program.

Sincerely,

Xiomara Diaz-Vargas
