TEXAS Watershed Steward

Highland Bayou

Workshop provided through Clean Water Act 319 nonpoint source grant funding from the TWSSWCB and U.S. EPA

TEXAS Watershed Steward

The Texas Watershed Steward program is a free educational workshop designed to help watershed residents improve and protect their water resources by getting involved in local watershed protection and management activities.

February 17, 2016:
8:00 am - 12:00 pm

Galveston County Texas A&M AgriLife Extension Office
4102-B Main Street
La Marque, TX 77568

The workshop will provide an overview of water quality and watershed management in Texas, including a discussion on the Highland Bayou Watershed and efforts by the Texas Coastal Watershed Program and area residents to improve and protect it. Free continuing education credits are offered for a wide variety of professional disciplines ranging from licensed Texas Department of Agriculture pesticide applicators to select TCEQ occupational license holders. For a complete list of CEUs offered, or to register, visit our website or call the number below.
