## Notification Verification

### Complete and return with Application

I understand that current major show calf scramble rules are unavailable as of August 1, 2020. I have marked the shows I wish to apply for, but understand that I may be ineligible for a show due to age, or other requirements. Furthermore, I understand this is not the end of the process. Each of these shows has additional information to be completed in a variety of methods. All shows require mother **and** father and exhibitor's signatures **notarized**. The Extension staff will make the best arrangements possible to get that additional paperwork completed. I need to pencil in November 1<sup>st</sup> or 2nd Major Show entry day for San Antonio Livestock Show and Rodeo, Fort Worth, Houston, and Rodeo Austin if I want to enter any of these shows.

Detailed rules will be available at a later date.
