Everyone of those applications request information about your extracurricular activities, leadership and community service. Whether you are in elementary or high school a 4-H Record Book will be a great resource for you. Learning how to keep records is the first step and starting now will make it easier in the future. Join us for Record Keeping Training to find out what kind of information you need to be keeping, how to keep up with it and why. Please RSVP at

## ACADEMIC ELIGIBILITY FORMS

Eligibility forms, which you may have called tan forms or No Pass No Play, are **REQUIRED** for every event that mandates 4-H membership. This is true whether or not an excused absence is necessary = also true for weekend events. A separate form is needed for each event, but you can make a list and submit at once for all those which fall within a single grading period. If you have entered a major stock show or, later in the year, the county fair, you will not need to make this request. We automatically generate those.

We are switching over to an easier process for the 2023-24 year. Instead of phone calls or emails, place your request online at <https://forms.gle/LadR3ohSycgNs3Gx7>. If you are able to provide an email address for the individual who will be responsible for these on your campus and willing/able to send us a copy of your own signature, we will get this completed digitally. Given enough time, we can mail a hard copy to you or you may come by the office to physically pick it up. Before carrying these to campus, parents must sign the form. Upon completion, those physical copies are returned to students, and you as a family are responsible for returning it to us. Our standard timeline is to have it on file a week before the event or competition. If you are in a time crunch, send a digital copy and follow that with the original. Forms will be generated on Mondays and Thursdays. (There is not an acceptable version of the eligibility form for Montgomery County 4-H'ers posted online anywhere.)

The first grading periods close for our public ISDs:  
October 5 in Conroe, New Caney and Montgomery  
October 6 in Magnolia and Splendora  
October 20 in Willis
