Montgomery County Horse Project

We are excited to announce the 4-H Horse Project Program Area Committee has completed the Horse Project Clinic Criteria for the 2024-2025 4-H year. The Criteria is posted on the County 4-H webpage. The Committee has worked hard to schedule a series of clinics for the year. Each clinic will be followed by an individual evaluation of your performance in the topic for the day. Due to the nature of the clinics, it is imperative that you register to attend at the RSVP Hub on the County 4-H website. Since we are not conducting practice horse shows, to support the Montgomery County 4-H Horsemanship Club in providing these clinics, there will be a \$10 fee to participate paid through PayPal. We also ask that parents volunteer to assist with the check in and support clinic activities by signing up through Signup Genius. No horse experience or knowledge is required of the tasks to assist with.
