Montgomery County Horse Project

We are excited to announce the 4-H Horse Project Program Area Committee has completed the Horse Project Clinic Criteria for the 2024-2025 4-H year. The Criteria is posted on the County 4-H webpage. The Committee has worked hard to schedule a series of clinics for the year. Each clinic will be followed by an individual evaluation of your performance in the topic for the day. Due to the nature of the clinics, it is imperative that you register to attend at the RSVP Hub on the County 4-H website. Since we are not conducting practice horse shows, to support the Montgomery County 4-H Horsemanship Club in providing these clinics, there will be a \$10 fee to participate paid through PayPal. We also ask that parents volunteer to assist with the check in and support clinic activities by signing up through Signup Genius. No horse experience or knowledge is required of the tasks to assist with.

ACADEMIC ELIGIBILITY FORMS

Eligibility forms are **REQUIRED** for every event that mandates 4-H membership. This is true whether or not an excused absence is necessary = also true for weekend events. A separate form is needed for each event, but you can make a list and submit a request for all those which fall within a single grading period. If you have entered a major stock show or, later in the year, the county fair, you will not need to make this request. We automatically generate those.

Instead of phone calls or emails, place your request online at <https://forms.gle/WKANekDFA81Nyc6K6> . There is also a link on our county RSVP web page. If you are able to provide an email address for the individual who will be responsible for these on your campus and willing/able to send us a copy of your own signature, we will get this completed digitally. Or, if given enough time, we can mail a hard copy to you or you may come by the office to physically pick it up. Before carrying these to campus, parents must sign the form. Upon completion, those physical copies are returned to students, and you as a family are responsible for returning it to us. Our standard timeline is to have it on file a week before the event or competition. If you are in a time crunch, send a digital copy and mail or bring the original to the office . Forms will be generated on Mondays and Thursdays. (There is not an acceptable version of the eligibility form for Montgomery County 4-H'ers posted online anywhere.)
