Eligibility Forms

Eligibility forms are **REQUIRED** for every event you attend that requires 4-H membership, whether a school absence is needed or not. A separate form is needed for each event, but you can make a list and submit these requests all at once for all events that take place within a single grading period. When you enter any major show or the fair, you do not need to request a form. These will automatically be sent to you. Instead of calling or emailing, you can submit your request online here: <https://forms.gle/5huki78NZDKr3L7c9>. If you are able to provide an email address for the individual who will be responsible for these on your campus and willing to send us a copy of your signature, we will get this completed digitally. Forms are processed on Mondays and Thursdays.

Given enough time, we can also mail a hard copy to you or you may stop by the office to pick it up. Before taking to campus, parents must sign the form and fill in the dates if requesting an excused absence. When the school returns these to you, make sure they have checked the boxes indicating you are eligible, whether or not an excused absence will be granted, and that you have a signature at the bottom. Once you receive the physical copy back from the school, you are responsible for returning it to us **BEFORE** the event. Our standard timeline is to have the form on file a week before the event or competition. If you are in a time crunch, you may email the form before the event and then drop a hard copy in the mail. There is not an acceptable version of the eligibility form online, this must be requested through our office.

If you have special needs for any of the programs offered at the County or District level, please give us a least five days' notice.

We will make every reasonable effort to accommodate your needs.
