

# Texas A&M Extension Service Community Bingo

## March is Developmental Disabilities Awareness Month!

March is Developmental Disabilities (DD) Awareness Month! Join us in recognizing our friends, family, and neighbors with DD by participating in this year's Texas A&M Extension Service Community BINGO challenge!

During March 2022, County Extension Agents who get a BINGO – complete three items in the card below in a row, column, or diagonal – will have access to up to \$50 in “2” money toward the purchase of a resource or tool that can aid in improving support and outreach to individuals with developmental disabilities. But why just get a BINGO when you can go for a BLACKOUT? Try to get them all...it'll be great for your work and your community.

Additionally, the Texas Council for Developmental Disabilities is interested in hearing your experience with completing these tasks. If you get a BINGO, please be willing to take a few minutes to respond to a few questions, either by phone or email.

If you have questions or need additional information OR to submit your completed BINGO card, please contact Morgan Bradley ([morgan.bradley@ag.tamu.edu](mailto:morgan.bradley@ag.tamu.edu)).
