

Outdoor Recreation Staff – Camp Setting
Sherwood Forest
St. Louis, MO

Sherwood Forest is a non-profit residential summer camp program serving kids in need from the Greater St. Louis region. Each year, we serve roughly 320 youth in grades one through nine. At Sherwood Forest we are dedicated to providing opportunities for our youth to learn, grow, and have fun.

This year, we are hoping to recruit seasonal staff members that have an interest in working with youth in recreation and outdoor activities. We offer recreation and outdoor adventure programming that spans from traditional sports such as basketball and kickball to our climbing tower and archery range to backpacking and canoeing trips through the Missouri Ozarks. We also offer programming in Outdoor Living Skills which combines survival skills, natural history, and wildlife ecology. Staff will gain experience in developing, planning, and implementing curriculum and programs. We are emailing you today to ask if you would forward this information along to your students.

Interested students can apply using our website at <https://sherwoodstaff.campbrainstaff.com/>. In addition to paid summer staff positions, we also offer paid internships. More information about Sherwood Forest can be found at www.sherwoodforeststl.org.
