“Working at the Texas 4-H Center not only allows you to gain new experiences and make new friends, but you gain a new family that will last just as long as the memories do!”

-Cari “Hammer” Snider

“I made a lot of friends this summer and I learned that just because someone comes from a different background that doesn't mean you can't work well together. Others should consider working at the Texas 4-H center because you meet a lot of great people and you can really broaden your horizons.”

-Bailey “Punchy” Franklin

“Working at 4-H Camp has easily been the most rewarding job I have ever had. Each week, I was fortunate enough to make a difference in hundreds of children's lives. I was also able to make lifelong friends while gaining experience in my future career field. The opportunities are endless with the Texas 4-H Center!”
