Job Description

ROLE AND RESPONSIBILITIES

A local wildlife educational organization specializing in environmental education and raptor handling is seeking a highly reliable environmental interpretation intern to assist with educational outreach and wildlife presentation. We are looking for an individual who loves working with people and animals, has experience in public speaking, environmental education, and has interest in training and working with wildlife ambassadors. Our organization focuses primarily on educational outreach and connecting people with nature. We are looking for someone who can assist our team in providing unique and engaging educational opportunities for the Brazos Valley and the state of Texas.

The Environmental Interpretation Intern will:

- Work with the Executive Director to present and engage the public with environmental interpretation and living wildlife
- Train and prepare wildlife for public presentation in safe and engaging ways.
- Further develop the educational curricula and activities used to teach and engage audiences

In addition, this position will regularly assist in the following responsibilities as time permits:

1. Daily care and maintenance of wildlife ambassadors and facilities
2. Assist in the planning and execution of public events and opportunities
3. Develop the organization's public story
