

It's that time of year again where the Bombers have opened the recruiting process! We will also be at the Career fair in two weeks as well! Look forward to seeing you there!

An opportunity with the Bombers offers a unique way for students to gain experience in the sports industry by exposing you to a variety of functional areas throughout the internship. The goal of the program is simple: The Bombers want to provide you with a solid foundation of experience and knowledge for a career in sports, marketing, business, management, communication, public relations, education, agriculture, tourism and event planning.

Opportunities for experience include:

- Event Planning
- Operations
- Sales
- Community Involvement
- Public Relations
- Sponsorship Activation
- Ticketing
- Concession
- Merchandising
- Marketing

The Bombers are willing to work around summer classes and work for summer interns.

Here are some of the organizations we have recently been able to help place our Interns with upon graduation:

Dallas Cowboys, Dallas Stars, Houston Texans, Frisco Roughriders, Memphis Grizzlies, San Antonio Spurs, FC Dallas, Pittsburgh Pirates, Fox Sports, Aggie Athletics, Houston Dynamo and many more.

We are excited to talk to any student interested, whether they are an underclassman looking to get involved on a part time basis or a senior ready to take that final step toward an exciting career.
