Testimonials

"Camp has brought me closer to the ideal human I want to be. It forced me to realize how much better I could be to myself and those around me."-[Tomiwa Oderinde, Activity Leader 2017](#)

"Applying to work at Camp Aranzazu was the most spontaneous and amazing decision I've made. Living the Camp Aranzazu lifestyle allows you to grow into who you are while pouring into people. As an Activity Leader, I had the opportunity to meet some of the most incredible humans. I became more aware of those around me and myself. My passions, love, and skills grew in unexpected ways. It is impossible to put the impact and experience of camp into words. Take the leap, allow the campers to refill you for a summer." –[Samantha French, Activity Leader 2016 and 2017](#).

"After being an Activity Leader for Camp Aranzazu, I realized that I had grown in so many different ways. I was able to spend three months serving those around me, and creating bonds with some amazing children. Camp Aranzazu brings out the best in people, and being an Activity Leader is one of the most rewarding jobs that one can have. If you want a job that allows you to be your best self and undergo a life changing experience, then being an Activity Leader is the way to go!"-[Becca Maddox, Activity Leader 2017](#)
