ARE YOU READY TO MAKE AN IMPACT?

# EXPERIENCE THE POLICY MAKING PROCESS

*Apply today!*

Whether you have an interest in youth-serving organizations, parks & forests, or even recreational industries, ANRP can provide an opportunity to take your classroom knowledge and apply it successfully to the policy process.

*"I was able to achieve great growth in my personal and professional areas of life. The most interesting 'projects' were always the research projects. Throughout the process of researching a topic & boiling the information down into a pungent summary, I learned a lot about current and historic policy."*
