GUIDELINES

ABSTRACT:

1. Abstracts should be between 300-350 words.
2. Abstract should include title (Bold, Times Roman 14); authors (Times Roman 12), author's affiliations (Times Roman 12), rationale (one or two sentences); objectives (one or two sentences); materials and methods; brief results; implications (see attached example).
3. Use English units in text, tables, and figures.
4. Center the title, authors, abstract heading, and table titles.
5. Use a zero placeholder to the left of decimal points (0.05, not .05) in text, tables, and figures.
6. Add contact email for the leading author.

POSTER:

1. Posters should be 3 ½ feet (40 inches) wide and 2 ½ feet (30 inches) tall.

2. Posters will be displayed in the afternoon of **April 28, 2020**; therefore, they should be posted between 1:00 PM and 5:00 PM. Poster viewing with authors present is from 6:00 pm to 6:30 pm.

BLITZ PRESENTATION:

If you would like to present a 5-minute blitz presentation during the general session that will complement your poster, please email your abstract to Dr. Leanne Dillard (dillasa@auburn.edu) in addition to following the previous instructions by **April 3, 2020**. You will be notified if you are selected to participate by **April 10, 2020**. No more than six participants will be selected for this session. If you are selected, you must submit your final slide set as a PowerPoint file no later than **April 24, 2019** to Dr. Dillard at dillasa@auburn.edu. Slides will be automatically advanced every 15 seconds during this 5-minute presentation (20 slides total including the introductory slide). Participants will not be able to advance slides or use a laser pointer. Questions will be held until the subsequent poster session.
