A co-educational residential camp featuring traditional camp experiences such as kayaking, shooting sports, challenge course, environmental education, arts and crafts, dancing, swimming and lots more. Upon arrival, participants are assigned to "color groups" based on their age. More than just camping, we strive to provide opportunities for young people to:

- Understand self and others.
- Live and work with a small group of peers, cooperatively making decisions that affect the group.
- Experience adventure and challenge not usually found in daily home life.
- Respect and enjoy nature and the outdoors.
- Develop lifelong environmental issues.
- Apply knowledge, skills, and attitudes to real life situations.
- Make new friends.
- Have FUN!
