What is 4-H Horizons Camp?

Horizons is a camp featuring four different 4-H project learning programs. Each participant will select from one of the four programs to be offered. Woodworking Adventure is designed to teach youth the basic carpentry skills of planning, measuring, using carpentry tools and assembling wooden projects. Participants will construct a number of simple projects to hone their abilities in the art of woodworking. STEM Adventure is a science based program with lab experiments, robots, catapults, and more. If you have a keen interest in science and technology this is the project for you. Vet Science Adventure provides opportunities to learn more about animals, animal welfare, and how to become a veterinarian. A few things you will learn and do are animal nutrition, handling and restraining animals, and animal examinations and treatments. Wildlife Adventure is a focus on wildlife and wildlife habitat in an outdoor experience to raise awareness about conservation of our natural resources, nurture appreciation of wildlife, and promote stewardship. It will include hands on wildlife education activities, kayaking, hiking, and much more outdoors. Horizons Camp will also include many of the fun activities you have come to enjoy at the 4-H Center, such as dancing, swimming and lots more. More than just camping, we strive to provide opportunities for young people to grow and mature.

4-H CENTER FACTS

The 4-H Center is part of Texas A&M AgriLife Extension and has been in the youth camping business since 1975! The Center is located on Lake Brownwood, in the geographic center of the State. Accredited by the American Camp Association (ACA), families are assured of a quality program and facility that meets rigorous standards.

- Accommodations – youth are housed, by gender, in air-conditioned dormitories. Each dorm has its own restroom and shower facilities.
- Staff – program coordinated by Youth Professionals of AgriLife Extension and college interns.
- Health Care – nurse on duty 24/7. All medications are administered by the nurse.
- Meals – a full time staff provides three wholesome, balanced meals each day.
- Lunch and Dinner include a self-serve salad bar, ensuring there's something for everyone.

Early registration, February 1–June 14. Pay a \$50 deposit and the rest of the fee is due June 28th. Late registration, additional \$50 late fee. Registration covers all meals, lodging, refreshments, health care services, facility and programming fees for the 2 night, 3 day event. Registrations accepted on a first come first served basis until the camp is filled. Youth are assigned to dormitories with other youth from their county; youth may request a dorm room-mate during the registration process. Please note any food allergies or special meal requests (gluten free, vegetarian, etc.) on the registration form.
