This camp is for any youth wanting to learn more about wildlife and about stewardship in Texas.

Youth will learn the basics of wildlife identification and habitat evaluation along with some fun and interesting related topics and activities. Participants will spend a lot of time outdoors!

# 4-H Wildlife Camp

## *What is 4-H Wildlife Camp?*

Participants will have the opportunity to learn about wildlife in Texas. They will participate in hands on activities and education of the surrounding ecoregion of Brownwood at the Texas 4-H Center.

Campers will learn about:

- Wildlife and vegetation identification.
- Habitat evaluation and management.
- Hunter education.
- Laws and ethics.
- Aquatic ecology and all other creatures in the water.
- Respect and enjoyment of nature and the outdoors.
- And lot more fun with wildlife education.

## *Tell me about the Texas 4-H Center*

The 4-H Center is part of Texas A&M AgriLife Extension and has been in the youth camping business since 1975! The Center is located on Lake Brownwood, in the geographic center of the State.

Accredited by the American Camp Association (ACA), families are assured of a quality program and facility that meets rigorous standards.

Accommodations — youth are housed, by gender, in air-conditioned dormitories. Each dorm has its own restroom and shower facilities.

Staff — program coordinated by Youth Professionals of AgriLife Extension and college interns. Health Care — nurse on duty 24/7. All medications are administered by the nurse.

Meals — a full time staff provides three wholesome, balanced meals each day.

Lunch and Dinner include a self-serve salad bar, ensuring there's something for everyone.
