

## District IV 4-H Horse Show Sponsorship Request

Dear Sponsor:

The Texas 4-H Horse Project has been showcasing young horsemen's talent and hard work since 1963. Each year in June, over 200 4-H'ers and their families come together from across the 22 counties in District IV North East Texas for two days of horse show of fun, competition, and comradery.

The District IV 4-H Horse Show is constantly evolving to remain current and continue to provide memorable experiences for youth. For example, we have developed a phone app for exhibitors as an additional resource to communicate show results, schedule, patterns, and recognition of sponsors!

We continue to develop the show as a competition but also as an educational event. The day before the show, clinicians, and industry professionals, present clinics to help exhibitors improve in their performance and learn how to keep their equine partners healthy. This year we will be offering a Pre Show clinic for the very popular Ranch Riding classes and also a Horsemanship/Trail clinic for the pattern classes. Youth are the future of the equine industry and what better way to grow that future than through the 4-H program?

We need sponsors like you to help support this effort to ensure the growth of this great show and afford this opportunity to Texas youth for years to come. We greatly appreciate your generosity and would like to offer some recognition for you as well. Please review the sponsorship levels to see what the District IV 4-H Horse Show can offer you in exchange for your support.

We also present to the participants a welcome bag when the check in and use donated product for class placing awards.

If you have any questions, please feel free to contact anyone on the Show Management team.

Thank you for considering our request, Show Management
