Educational programs of the Texas A&M AgriLife Extension Service are open to all people without regard to race, color, religion, sex, national origin, age, disability, genetic information or veteran status. The Texas A&M University System, U.S. Department of Agriculture, and the County Commissioners Courts of Texas Cooperating. Persons with disabilities needing accommodations for effective participation in the meeting should contact Denton County AgriLife Extension office at least a week in advance of the meeting to request mobility, visual, hearing or other assistance.
