Name: Katie Ashcraft
Campus Address: 1006 S Main St
City/State/Zip Code: Moscow, ID 83843
Telephone: (208) 821-5813
E-mail: ashc7726@vandals.uidaho.edu
School: University of Idaho
Major: Animal and Veterinary Science
Expected Graduation Date: Dec-20
Career Goals: I am currently looking to go on and get a Doctorate of Veterinary Medicine. I am also interested in animal nutrition.

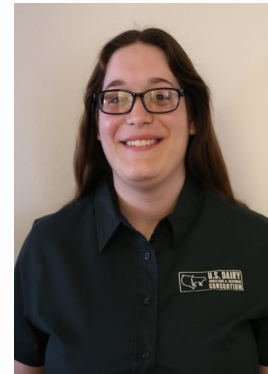

Name: Kaitlyn Baird
Campus Address: 6605 Gregg Rd.
City/State/Zip Code: Krum, TX 76249
Telephone: (940) 293 7336
E-mail: Kaitlynbaird19@gmail.com
School: Texas A&M University
Major: Biomedical Sciences
Expected Graduation Date: May-19
Career Goals: In the future I hope to either become a dairy veterinarian or work in the dairy industry. I am interested in dairy nutrition, reproduction, and management.

Name: Chantel Becenti
Campus Address: P.O. Box 358
City/State/Zip Code: Lukachukai, AZ 86507
Telephone: (928) 679 3124
E-mail: cjbecent@nmsu.edu
School: New Mexico State University
Major: Animal Science
Expected Graduation Date: Dec-19
Career Goals: The goals I have set for myself in the future are to get into vet school or continue my education by going after my Masters. My passion for animals and agriculture also makes me want to pass teachings onto the youth of my community to get them more involved in that lifestyle.

Name: Mikaela Bledsoe
Campus Address: 1424 West A Street
City/State/Zip Code: Moscow, ID 83843
Telephone: (208) 949-0487
E-mail: bled0355@vandals.uidaho.edu
School: University of Idaho
Major: Animal & Veterinary Science- Pre Vet
Expected Graduation Date: Dec-19
Career Goals: Practice veterinary medicine and research in bovine health and reproduction. Considering pursuit of graduate research in meat science.

Name: Emma Brown
Campus Address: 1380 HWY 652
City/State/Zip Code: Raceland, LA 70394
Telephone: 985-227-2810
E-mail: ebro114@lsu.edu
School: Louisiana State University
Major: Animal Sciences
Expected Graduation Date: Dec-20
Career Goals: I would like to manage a dairy farm or possibly go to graduate school to specialize in reproductive technologies.

Name: Alyssa Bruce
Campus Address: 117 Holleman Dr. W
City/State/Zip Code: College Station, TX 77840
Telephone: (915) 760-9005
E-mail: alyssa.bruce@tamu.edu
School: Texas A&M University
Major: Animal Science
Expected Graduation Date: May-20
Career Goals: Currently, I am unsure of my future career, however I am extremely interested in cattle and the cattle industry as a whole. I am fascinated with nutrition and the over all care and management of animal.

Name: Mario Bustamante
Campus Address: 3765 N Campbell Ave. apt #29
City/State/Zip Code: Tucson, AZ 85719
Telephone: (520) 358-2427
E-mail: Mariob0626@email.arizona.edu
School: University of Arizona
Major: Animal Science: Industry Emphasis
Expected Graduation Date: May-22
Career Goals: I would like to pursue a masters/PhD in the industry whether that be with research/conservation or dairy. The end goal being to ensure that what I do will be for the betterment of the industry as a whole, allowing greater innovation for generations to come.

Name: Arlette Calderon
Campus Address: 3001 S. Congress Ave.
City/State/Zip Code: Austin, TX 78704
Telephone: (956) 533-3762
E-mail: arlettecal@gmail.com
School: St. Edward's University
Major: Biology, Pre-Veterinary Medicine
Expected Graduation Date: May-20
Career Goals: I am a first-generation undergraduate student aspiring to become a veterinarian. I hope to enroll in a VMD-PhD program after college. Meanwhile, I am taking advantage of all opportunities to figure out what area of veterinary medicine I want to focus on. Ultimately, my goal is to finish my career educating the next generation of veterinary students.

Name: Christopher Childress
Campus Address: 246 Forest Drive
City/State/Zip Code: College Station, TX 77840
Telephone: (903) 203-8994
E-mail: childressdvm@gmail.com
School: Texas A&M University
Major: Animal Science
Expected Graduation Date: May-22
Career Goals: I hope to continue my passion for agriculture through gaining experiences with livestock reproduction & nutrition. My goal is to pursue a degree in veterinary medicine and work as a mixed-practice veterinarian.

Name: Grace Coley
Campus Address: 1062 Campus Delivery
City/State/Zip Code: Fort Collins, CO 80523
Telephone: (970) 319-0773
E-mail: gcoley@rams.colostate.edu
School: Colorado State University
Major: Animal Sciences
Expected Graduation Date: May-21
Career Goals: I am pursuing a degree in animal sciences through Colorado State University in the hopes to eventually attend veterinary school. Through years of internship experiences I have come to the decision that I want to become a mobile large animal veterinarian within rural communities.

Name: Alexandra Corpus
Campus Address: 5802 Coldsworth Ct
City/State/Zip Code: Arlington, TX 76018
Telephone: (817) 300-3378
E-mail: alexandradanee@gmail.com
School: Texas A&M University
Major: Animal Science
Expected Graduation Date: May-20
Career Goals: I am interested in livestock reproduction and genetics. I am working towards a doctorate in veterinary medicine which will allow me to continue my passion agriculture.

Name: Preston DeJong
Campus Address: 4483 E FM 219
City/State/Zip Code: Hico, TX, 76457
Telephone: (254) 977-4094
E-mail: prestdejong@gmail.com
School: Texas A&M University
Major: Crop & Soil Science/Dairy Business Management & Leadership
Expected Graduation Date: May-20
Career Goals: Upon completion of my masters degree from Cornell University in Dairy Business Management & Leadership, I plan to return the dairy industry as a Dairy Manager. Eventually, I would like to return to the family business and run a herd or herds of my own. I hope to be a Dairy industry leader and have the opportunity to represent the hard working families that make the dairy industry so unique.

Name: Monika Dziuba
Campus Address: 5012 Oakbrook Dr.
City/State/Zip Code: Lansing, Michigan 48910
Telephone: (734) 771-2087
E-mail: dziubamo@msu.edu
School: Michigan State University
Major: Animal Science
Expected Graduation Date: May-19
Career Goals: I will be attending veterinary school at Michigan State University in fall 2019 to study dairy medicine. I plan to work as a dairy veterinarian in the state of Michigan.

Name: Paige Eads
Campus Address: 503 George Bush Dr. W
City/State/Zip Code: College Station, TX 77840
Telephone: (817) 653-2050
E-mail: paigeeads@tamu.edu
School: Texas A&M University
Major: Animal Science
Expected Graduation Date: May-22
Career Goals: Currently, I have aspirations to attend Veterinary School. I am attending this dairy consortium to see if I want to go into large animal or small animal medicine. Right now, I am leaning toward a mixed practice.

Name: Kylee Elmore
Campus Address: 8259 Lake Shore Drive
City/State/Zip Code: Nampa, ID 83686
Telephone: (208) 989-7799
E-mail: Elmo5378@vandals.uidaho.edu
School: University of Idaho
Major: Animal and Veterinary Science- Dairy
Expected Graduation Date: May-20
Career Goals: I aspire to be a dairy nutrition consultant and pursue my Master's degree in the Fall of 2020. I also want to practice range land nutrition management.

Name: Cassie Faunce
Campus Address: 20244 Overmier Rd.
City/State/Zip Code: Loranger, LA 70446
Telephone: (985)-474-2091
E-mail: Cfaunc1@lsu.edu
School: Louisiana State University
Major: Animal Sciences
Expected Graduation Date: May-21
Career Goals: I plan on attending graduate school for agriculture education and extension. After graduating, I would like to pursue a career in extension.

Name: Madeleine Frere
Campus Address: 801 Marion Pugh Dr 20102
City/State/Zip Code: College Station, TX 77840
Telephone: (713) 817-1996
E-mail: Madeleinefrere@tamu.edu
School: Texas A&M University
Major: Animal Science
Expected Graduation Date: Dec-20

Career Goals: I am studying to become a farmer's advocate: privately or publicly. My passion for public policy with a dairy and beef focus guided me to an AgEcon minor. Working for a government or nonprofit entity that serves agricultural people is my ultimate goal but working for a private company as a mediator to the public sector would also suit my enthusiasm. I will most likely pursue a masters in public service and administration.

Name: Alli Garcia
Campus Address: 1819 Medina Dr.
City/State/Zip Code: College Station, TX 77840
Telephone: (214) 448-7572
E-mail: acgarcia_16@tamu.edu
School: Texas A&M University
Major: Animal Science, Minor: Psychology
Expected Graduation Date: May-20
Career Goals: I am hoping to attend vet school to go into mixed animal practice in an semi-urban area. If I don't go to vet school, I am interested in reproduction, animal welfare or behavior/psychology side of the industry, and possibly obtaining a masters or PhD.

Name: Hana Henderson
Campus Address: 3803 Wellborn Rd #1323
City/State/Zip Code: Bryan, TX, 77801
Telephone: (972) 765-4521
E-mail: Hanahenderson@yahoo.com
School: Texas A&M University
Major: Animal Science
Expected Graduation Date: May-21

Career Goals: I am currently pursuing a minor in Chemistry and doing research next semester to overlap the two subjects. I am interested in pursuing a masters degree and a PhD in animal welfare or animal behavior, then doing academic research. I would like to work with large animals and companion animals.

Name: Emalee Hoffmann
Campus Address: 5618 Hwy 7
City/State/Zip Code: Marlin, TX 76661
Telephone: (936)-525-8888
E-mail: emaleemaureen@yahoo.com
School: Texas A&M University
Major: Animal Science
Expected Graduation Date: May-21
Career Goals: After receiving my bachelor's degree, I plan to attend vet school and become a large animal veterinarian. I would like to specialize in reproduction and eventually go back to school to earn my PhD. After many years in practice, I would like to come back to the vet school and become a professor.

Name: Matthew Holton
Campus Address: 200 Grant Point
City/State/Zip Code: Dawsonville, GA 30534
Telephone: 770-718-8271
E-mail: mpholton@gmail.com
School: University of Georgia
Major: Animal and Dairy Science
Expected Graduation Date: May-19
Career Goals: I plan on attending veterinary school at the University of Georgia starting in the Fall of 2020. I would like to do cattle reproduction services such as embryo transfer to use in my family's veterinary practice.

Name: Paige Howard
Campus Address: 315 Kyle Ave
City/State/Zip Code: College Station, TX 77840
Telephone: (903) 841-3169
E-mail: paige.howard0707@tamu.edu
School: Texas A&M University
Major: Animal Science
Expected Graduation Date: May-21
Career Goals: Upon graduation with my Bachelor's Degree in Animal Science I intend on going to Veterinary School at Texas A&M University. I want to study Large Animal Medicine and specialize in genetics, nutrition, or reproductive physiology. After Vet School I want to own my own practice back in east Texas.

Name: Callie Ivy
Campus Address: 1333 W Washington St.
City/State/Zip Code: Stephenville, TX 76401
Telephone: (903) 284-1901
E-mail: callie.ivy@go.tarleton.edu
School: Tarleton State University
Major: Animal Science
Expected Graduation Date: Dec-19
Career Goals: After obtaining my bachelors in Animal Science I plan on pursuing my career in either meat science or ruminant nutrition. These fields have always greatly interested me and have been something I am passionate about.

Name: Cuatro Koehler
Campus Address: 117 Rolling Ridge
City/State/Zip Code: College Station, TX 77840
Telephone: (830) 857-5280
E-mail: JCKoehler@gvec.net
School: Texas A&M University
Major: Animal Science
Expected Graduation Date: May-20
Career Goals: Upon graduation, I hope to pursue a master's degree where I can continue towards my ultimate goal of becoming a beef or dairy reproductive specialist.

Name: Natalie Koke

Campus Address: 777 Private Road 1006

City/State/Zip Code: Dublin, TX 76447

Telephone: (254) 485 7889

E-mail: natalie@milk4you.com

School: Texas A&M University

Major: Agribusiness

Expected Graduation Date: May-21

Career Goals: After I graduate, I hope to work on a dairy or a co-op or something similar and gain experience in the dairy industry. Eventually, I hope to take this information back to the family farm.

Name: Jaelan Linville

Campus Address: 1518 Harvey Mitchel Pkwy S

City/State/Zip Code: College Station, TX 77840

Telephone: (580) 821-2670

E-mail: linville@tamu.edu

School: Texas A&M University

Major: Animal Science

Expected Graduation Date: Dec-21

Career Goals: Though I am not completely sure what my future holds, I have been able to narrow down my options. I intend to either enroll in vet school at Texas A&M, or pursue a PhD and do academic research. With vet school I would focus on large animals as much as possible, and with academic research I would focus on reproduction and welfare.

Name: Morgan Matt

Campus Address: 740 Young Street

City/State/Zip Code: Bridge City, TX 77611

Telephone: (409) 626-0429

E-mail: momatt5@gmail.com

School: Texas A&M University

Major: Animal Science

Expected Graduation Date: Dec-19

Career Goals: I am interested in bovine reproduction, animal welfare, and the swine industry. I hope to be able to further my education in a Masters program after working a couple of years in the field to find what truly fits me best. Possibly, one day earning my doctorate.

Name: Samantha Maybury

Campus Address: 9800 North County Road 225

City/State/Zip Code: Gainesville, FL 32609

Telephone: (407) 222-4499

E-mail: smaybury@ufl.edu

School: University of Florida

Major: Animal Science & Plant Science

Expected Graduation Date: May-22

Career Goals: I plan to pursue a career in the dairy industry. I am most interested in cattle welfare and forage production.

Name: Lianara Morcoglio-Matias

Campus Address: #86 calle Manuel Blanco bo Trastalleres

City/State/Zip Code: Mayagüez, Puerto Rico, 00682

Telephone: (787) 464-0211

E-mail: lianara.morciglio@upr.edu

School: Universidad de Puerto Rico, Recinto de Mayagüez

Major: Animal Science

Expected Graduation Date: May-20

Career Goals: I have great interest in dairy cattle reproduction and genetics. I aspire to complete graduate studies and work in both research and in the field.

Name: Mark Nyentap

Campus Address: 4003 Larry Robinson Rd

City/State/Zip Code: Russell, Ontario, Canada K4R 1E5

Telephone: (613) 821-3594

E-mail: mark.nyentap@xplornet.com

School: Iowa State University

Major: Dairy Science

Expected Graduation Date: Aug-19

Career Goals: I am interested in Dairy Nutrition/Management. Eventually I would like to take over my family's dairy farm.

Name: Logan Papinchak

Campus Address: 8085 Atlas Pear Dr.

City/State/Zip Code: Bryan, TX 77807

Telephone: (832) 647-0975

E-mail: lploganpapinchak@gmail.com

School: Texas A&M University

Major: Animal Science (Minor in Tourism Management and receiving a Professional Event Management Certificate)

Expected Graduation Date: Dec-20

Career Goals: I am interested in obtaining a Masters/PhD to further my education in dairy science. I hope to enter the dairy industry working in either calf management or extension. I am also interested in working as an events director/coordinator for an agricultural based organization.

Name: Jazmine Pittman

Campus Address: 879 9th Street

City/State/Zip Code: Slidell, LA 70458

Telephone: (985) 774-0465

E-mail: jpitt18@lsu.edu

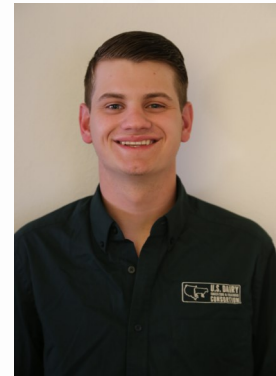

School: Louisiana State University

Major: Animal Sciences

Expected Graduation Date: May-21

Career Goals: My aspiration is to be a large animal vet with an emphasis in the dairy industry. With vet school being highly competitive, my alternative is to pursue a master's degree in a branch of dairy science.

Name: Shane Robison
Campus Address: 2624 W. McElroy
City/State/Zip Code: Stillwater, OK 74075
Telephone: (405)-714-1481
E-mail: shane.robison@okstate.edu
School: Oklahoma State University
Major: Animal Science
Expected Graduation Date: May-21
Career Goals: Following the completion of my college degree, I would like to follow my passion for the dairy industry by working in dairy management. I have a big interest in working with people throughout the agriculture industry through extension and outreach.

Name: Jennifer Ross
Campus Address: 17 Salem Place
City/State/Zip Code: Amherst MA 01002
Telephone: (774) 364-4842
E-mail: jenniferross@umass.edu
School: University of Massachusetts Amherst
Major: Pre-Veterinary Science
Expected Graduation Date: May-20
Career Goals: After graduation I hope to work as an AI Tech. In the future I hope to pursue a Masters or PhD degree in Dairy Science or attend Veterinary school.

Name: Cy Schroeder
Campus Address: 3370 Keefer Loop
City/State/Zip Code: College Station, TX
Telephone: (940) 733-8961
E-mail: Cy.schroeder16@gmail.com
School: Texas A&M University
Major: Animal Science
Expected Graduation Date: Dec-19
Career Goals: I plan to work in the dairy and/or beef cattle nutrition industry. I am interested in feed sales, quality assurance, or related opportunities.

Name: Shai Searcy
Campus Address: PMB 7177, 306 University Drive, Room 136
City/State/Zip Code: College Station, TX 77840
Telephone: (979) 229-1971
E-mail: searcyshai2018@tamu.edu
School: Texas A&M University
Major: Animal Science
Expected Graduation Date: Dec-20
Career Goals: My career goals after I graduate are: to attend veterinary school, work in a mixed practice, and eventually open up my own practice in a rural town. However, I am very interested in going into the dairy and beef cattle side of veterinary medicine after being in this program.

Name: Glenna Sessoms

Campus Address: 2221 Dunn Avenue

City/State/Zip Code: Raleigh, NC 27607

Telephone: (828) 506-1109

E-mail: gsessom@ncsu.edu

School: North Carolina State University

Major: Animal Science, Agricultural Business Minor

Expected Graduation Date: Dec-19

Career Goals: My long-term career goal is to work in the consulting field and expand my knowledge of and ability to apply dairy cattle management techniques. After graduation, I hope to find employment or an on-farm internship with a company that focuses on working close with producers to increase efficiency through regulations and inspections, with a possible interest in waste management and sustainability.

Name: Lyndon Teichman

Campus Address: 414 8th Street

City/State/Zip Code: Scotland, TX 76379

Telephone: (940) 733-4226

E-mail: Lyndon.Teichman@gmail.com

School: Vernon College

Major: Farm & Ranch Management

Expected Graduation Date: May-20

Career Goals: After finishing college I would like to look into a dairy management position with the option of going back to the family farm. In addition, I have a great interest in the farming side of the dairy industry focusing on crop production.

Name: Bethany Tyler

Campus Address: 104 Rowe Hill Rd

City/State/Zip Code: Hartford, NY 12838

Telephone: (518) 223-5213

E-mail: bethanyt9@yahoo.com

School: SUNY Cobleskill

Major: Agricultural Business

Expected Graduation Date: May-19

Career Goals: I would like to become active in lameness prevention and protocols throughout the dairy industry. I enjoy working daily on the farm and learning everything that goes into the production of a successful dairy.

Name: Taylor Ussery

Campus Address: 7157 East Nathan Street

City/State/Zip Code: Mesa, AZ 85207

Telephone: (701) 595-1402

E-mail: taylorussery@yahoo.com

School: New Mexico State University

Major: Animal Science

Expected Graduation Date: May-21

Career Goals: My primary interest is associated with the animal/livestock industry. I am considering obtaining a PhD in nutrition or rumen microbiology.

Name: Nicoles Uzee
Campus Address: 4467 Roseland Drive
City/State/Zip Code: Port Allen, LA 70767
Telephone: (225) 620-7430
E-mail: nuzee1@lsu.edu
School: Louisiana State University
Major: Animal Sciences
Expected Graduation Date: May-20
Career Goals: I would like to attend graduate school, focusing in dairy nutrition and/or calf management. After graduating I intend on working for a nutrition company.

Name: Lindsey Walker
Campus Address: 614 Holleman E Dr
City/State/Zip Code: College Station, TX 78676
Telephone: (512) 576-4824
E-mail: lindseyreese9164@gmail.com
School: Texas A&M University
Major: Animal Science
Expected Graduation Date: May-21
Career Goals: I plan to attend veterinary school and use my DVM to conduct research in sustainable agriculture.

Name: Kayla Wallace
Campus Address: 5812 6th St. #A
City/State/Zip Code: Lubbock, TX 79416
Telephone: (979) 743-1007
E-mail: kaylapwallace@gmail.com
School: Texas Tech University
Major: Animal Science Pre-Veterinary
Expected Graduation Date: May-20
Career Goals: I hope to pursue a career in Veterinary Medicine with a concentration in dairy cattle. I also will be returning to my hometown to help run the family's dairy farm.

Name: Emily Watson
Campus Address: 1602 Lemontree Ln
City/State/Zip Code: College Station, TX 77840
Telephone: (817) 319-5243
E-mail: emilywatson@tamu.edu
School: Texas A&M University
Major: Animal Science
Expected Graduation Date: May-20
Career Goals: After graduation from Texas A&M with my undergrad I intend to go to vet school to become a mixed animal veterinarian. I would like to serve rural Texas as primarily a food animal vet.

Name: Chantz Williamson

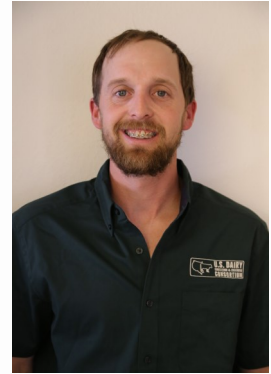

Campus Address: 5191 County Road 322

City/State/Zip Code: Dublin, TX 76446

Telephone: (254) 592-4307

E-mail: chantzwilliamson@yahoo.com

Career Goals: I plan to gain as much knowledge as possible and return home and continue my career in the dairy industry.

Name: Ethan Wright

Campus Address: 1913 Patricia Court

City/State/Zip Code: Las Cruces, NM 88001

Telephone: (575) 309-1702

E-mail: gwright5@nmsu.edu

School: New Mexico State University

Major: Animal Science

Expected Graduation Date: May-21

Career Goals: I am pursuing a bachelor's degree in Animal and Range Sciences and I will also pursue a Master's Degree in Agricultural Business and Economics. I want to use these degrees and the opportunities for hands on industry experience that I have had to gain knowledge of the livestock production industry. I want to apply myself to a career in cattle production (beef or dairy) or a supporting industry. My dream is to own and manage a cow/calf ranch and grain farm and hold true to my roots in production agriculture.
