SECTION 1

Objective of the Wharton County 4-H Awards Program

The Wharton County 4-H Awards Program is designed to recognize the accomplishments of 4-H members for their project work, leadership skills, personal growth and development, and participation in various 4-H sponsored activities. Award and recognition programs inspire and motivate 4-Hers through the learn by doing process.

The Wharton County 4-H Awards Program is coordinated in conjunction with the Texas 4-H Awards Program and the National 4-H Awards Program. All three groups (county, state and national) provide donors or funds for various scholarships, trips, medals and other awards. Wharton County 4-H Parent and Adult Leaders Association oversees the awards and reserve the right to solicit nominations for any award in which there is a lack of nominations on the due date. All of these awards are due in early June of each year.

The following basic skill objectives apply to all of the 4-H Award Programs:

1. Develop leadership skills, build character and assume citizenship responsibilities.
2. Explore career, job and productive leisure opportunities.
3. Develop skills, knowledge and attitudes for life-long use.
4. Learn to use accepted practices for mental, physical and emotional health and to respect yourself and others
5. Share knowledge gained with others.

4-H Mission

To offer participants opportunities to acquire knowledge, to develop life skills and to form attitudes that will enable them to become self-directing, productive and contributing members of society.

4-H Membership

The policy of the Texas Cooperative Extension is to extend equal opportunities for membership and participation in 4-H activities to all Texas youth regardless of race, color, sex, religion, disability, age or national origin. This is done according to the provisions stated within any or all federal or state Equal Rights legislation, provided they meet the minimum requirements for membership indicated below:

A youth must enroll in one or more 4-H projects.

A member participates in 4-H by belonging to a 4-H membership unit in the county where he or she resides.

Any youth can become a member of 4-H when he or she has entered the third grade. A youth's last year in 4-H shall be the calendar year in which his or her 18th birthday occurs.

The 4-H age divisions are:

Juniors: 8 years old and in 3rd-5th Grade

Intermediates: 6th-8th Grade

Seniors: 9th-12th Grade

Age is determined as of August 31 of the current 4-H year.

SECTION 2

Wharton County 4-H Awards Banquet

An annual Awards Banquet is held each year to recognize 4-H members for their accomplishments through the year. Please read the *4-H Awards Handbook* carefully to understand who is eligible to receive an award and the application procedures.

Who is recognized at the Awards Banquet?

Only 4-H members who have participated in events listed in the Recognition for Competitive and Invitational Events section of the *4-H Awards* and recipients of Gold Star, I Dare You, Silver Star, Bronze Star, Capital Farm Credit, Outstanding Leaders, Friends of 4-H and 4-H Alumni Awards are eligible to receive awards at the banquet. In order to be recognized at the banquet, award recipients must notify the County Extension Office of their intention to attend the banquet on or before the deadline given in the county calendar. If that deadline is not met, the person's name will not be announced at the banquet. The person's name will appear in the program and the award(s) will be given to the club manager or representative in charge of picking up awards.

Who can attend the banquet?

All 4-H members, families and public are welcome to attend the banquet if they purchase banquet tickets by the registration deadline. 4-H members who have completed the guidelines as specified in the Recognition for Competitive and Invitational Events sections of the *4-H Awards Handbook* and special award winners (Gold Star, etc.) are eligible to receive one complimentary meal ticket for the 4-H Awards Banquet. A date will be set in the county calendar by which 4-H members eligible for the complimentary meal tickets must notify the County Extension Office of their intention to attend the banquet. Meal tickets for all others may be purchased at the County Extension Office on or before the deadline. Anyone who would like to attend as an observer may do so. No ticket is required.

Dress Code

4-H members are asked to dress appropriately for the banquet. Gentlemen should wear a collared shirt with dress slacks or jeans. Ladies should wear a nice shirt or polo, dress pants or jeans, skirt or dress. NO casual shorts or mini-skirts.

Award Errors

Every effort is made to make sure no mistakes are made. However, human error is always a factor. If an error has occurred in awards, please notify the county extension agent immediately following the banquet.

SECTION 3

Recognition for Competitive and Invitational Events

4-H members who seize the opportunity to participate in 4-H activities beyond their club level gain the confidence and skill set to compete for County Level awards. County Level awards recognize work and accomplishments of 4-H members who have challenged themselves by becoming active at the County, District and State level.

The County Extension Office provides the guidelines and oversees the selection for these awards. County Level awards are broken into two categories: Competitive and Invitational. Invitational awards are designed so that every member who completes the requirements may receive the award. Competitive awards are designed so that only a select number of youth who apply will receive the award.

The applications for County Level awards are submitted to the County Extension Office. All County Level awards must be submitted by each 4-H member but the County Awards due date.

Judging Criteria

Judging will be based upon the National 4-H Awards Program objectives for the project area under which the recordbook is submitted. The objectives are used in setting goals for project experiences, leadership, community service and awards. A 4-H member who has participated in any project may submit a recordbook for judging. The 4-H member must designate the awards program area in which the recordbook is to be judged. Please check the Texas 4-H Projects list.

All recordbooks are due in the County Extension Office on or before the deadline listed in the county calendar. NO LATE RECORDBOOKS WILL BE ACCEPTED.

SECTION 6

Gold Star Award

The Gold Star Award is the highest achievement award given by the Texas 4-H Youth Development Program through the county 4-H Program. The Texas 4-H Gold Star Award can only be awarded once in a member's 4-H career.

The presentation of the Gold Star Pin begun in 1933, the first year Mr. E.C. Martin was Boys 4-H Club Specialist. Mr. Martin tells us the pin was prompted by an effort to recognize the people who did the work rather than the agents. Previous to this time, the agents submitting the largest number of 4-H records received the recognition.

Records in the Extension Fiscal office indicates that the first Gold Star Pins were purchased in 1933. For the first several years the Gold Star Pins were presented at a dinner during Short Course at College Station. In the beginning each county made a nomination of their outstanding 4-H member and 100 members were selected to receive the award. After several years, the awards were presented to the outstanding 4-H boy and 4-H girl in each county.

Danforth "I Dare You" Award

The Danforth "I Dare You" Award is the second highest award given on the county level. The award guidelines are the same as those for the Texas 4-H Gold Star Award. There will be a maximum of two Danforth "I Dare You" Awards given each year in Wharton County 4-H. The actual number of Danforth awards given will be decided by the selection committee, based on the merits of the applicants. This award may be received only once.

Mr. William H. Danforth's book, "I Dare You," was first published in 1931. It is still considered one of the most influential books in the area of personal motivation. The book is published and distributed by the American Youth Foundation through its I Dare You Committee. The award is offered as recognition of excellence in character and well-balanced development, as well as demonstrated leadership.
