ONE DAY 4-H

Every year on a Saturday in October 4-H members from across the state participate in the One Day 4-H project which is a way for our 4-H members to say "thank you" to our communities, counties and state for all of the support that they have provided to the 4-H program for over 110 years. This year One Day 4-H will be held on October 9th, the County Council Officers will be at the Farmers Market in Wharton from 9 am until noon. We will be promoting 4-H, handing out water bottles and collecting any canned food items that members may like to drop off. 4-H Clubs are encouraged to hold their own day of service but everyone is welcome to join us on that day.
