Friday ROUNDUP

WHARTON COUNTY 4-H

NEWS YOU CAN USE

Happy Holidays!

If you have been around the office or called recently you know that things have been very hectic. From Crossroads (we had 19 kids attend!!) to a State Leadership Conference in Louisiana, Swine Validation, Major Show entries and everything in between I have stayed busy! But I wanted to take this time to THANK all of you for your dedication to our program and its success. Fundraiser time is right around the corner and I look forward to seeing that continued.

Best Wishes,

Ms. Laura

WHARTON COUNTY 4-H ARCHERY

4-H Families & Friends,

Many of you have inquired about archery and shooting sports. We hosted a county-wide meeting on Monday September 26th to come learn and discuss how we can get a program started. While there were only seven families present at the meeting; we believe it is still possible to build a program for the future BUT it is going to take more parents and community leaders to get involved and to be committed to the behind the scenes research and planning that needs to happen.

Be sure to read more about WC4-H Archery by clicking the link below.
